Sponsored Service

ABOUT INTERNET ESSENTIALS
Internet Essentials from Comcast is the nation’s largest, most comprehensive, and most successful broadband adoption program for low-income Americans in the country. The program is uniquely designed to address the three major barriers to broadband adoption—digital literacy training and relevance, equipment, and cost—and relies on a network of tens of thousands of community partners to help families cross the digital divide.

SPONSORED SERVICE & HOW IT WORKS
Partners, such as schools, healthcare providers, and other community-based organizations, have the ability to sponsor, or pay for, Internet Essentials service for their eligible members/families at a cost of $9.95 + tax per month per household. The minimum requirements to establish a sponsored service agreement are at least a six-month sponsorship for at least 25 eligible applicants that are new to the program.

Following a formal agreement, Comcast will send sponsors promotional codes to distribute to eligible families. These codes will ensure the billing for an approved applicant will flow up to the sponsor’s account. Sponsors will receive one bill each month and are only charged for applicants that are approved and connected to the Internet Essentials program.

ELIGIBILITY
Sponsored Service customers must be eligible for the Internet Essentials program. Individuals may qualify if they:

A Are eligible for public assistance programs such as the National School Lunch Program, Housing Assistance, Medicaid, SNAP, SSI, and others. For a full list of accepted documents, please click here or visit InternetEssentials.com.

B Live in an area where Comcast Internet service is available.

C Are not an existing Xfinity Internet customer and have not subscribed to Comcast Internet within the last 90 days.

D Have no outstanding debt to Comcast that is less than one year old. Households with outstanding debt that is more than one year old may still be eligible.*

*Due to the Coronavirus emergency, households with outstanding debt that is less than one year old may be eligible for Internet Essentials. We are waiving this qualification if you apply and are approved by 6/30/20. After 6/30/20, standard eligibility rules apply.
